

BOBBY

by Eric Kuster

FORMANI®

Metropolitan luxury

Eric Kuster

“Real materials, such as the solid steel of a handcrafted door handle, embody the attention to detail that truly makes a difference.”

Huizen, the Netherlands

Design philosophy: “Above all else, the chance to exceed expectations in everything I do.”

Designed for FORMANI: BOBBY

Photography: Andreas Terlaak

Metropolitan luxury

The design of our BOBBY collection by Eric Kuster combines the elegance of round shapes with clean lines; it is an eye-catching combination in which the various elements are uniquely connected. The rectangular section of the door handle flows subtly, yet powerfully, into a rounded grip that is proportional to the horizontal plate that it is attached to. With every touch, the solid feel of steel transports you to elegance and luxury. The various shapes are simultaneously simple. In combination with the right materials, the BOBBY door handle is the perfect detail to any interior.

Grootstedelijke luxe

Het design van onze BOBBY collectie by Eric Kuster combineert de elegantie van ronde vormen met strakke lijnen. Een spannende combinatie, waarbij de verschillende elementen op unieke wijze aan elkaar worden verbonden. Het rechthoekige deel van de deurkruk loopt subtiel maar krachtig over in een ronde greep. De greep loopt evenredig aan het horizontale schild, waarop deze is bevestigd. Het solide gevoel van staal transformeert bij elke aanraking in elegantie en luxe. Het ontwerp kent een divers vormenspel, maar straalt tegelijkertijd eenvoud uit. In combinatie met de juiste materialen vormt de deurkruk BOBBY het perfecte detail voor elk interieur.
